

Stay Connected to Your Closing.

Choose an agent who offers **ClosingTracker.com** and you will!

Once you've signed your purchase agreement, the purchase or sale of your home will enter the closing process. This may take several weeks, while specific tasks are completed and documents are prepared for you to sign on your scheduled closing day. ClosingTracker provides you with a secure Web site to view this activity from the time you sign the purchase agreement, until well after your closing day.

Stay Connected with Easy Access to Your Transaction

- ▶ View current transaction status.
- ▶ Automatic e-mail notifications when a task is completed or a document is posted.
- ▶ View, print, and share documents.

Stay Connected and Save Time

- ▶ Eliminate phone calls, voice mails and phone tag.
- ▶ Your closing stays on schedule.
- ▶ Review closing and title documents before your closing day.

Stay Connected on Your Own Terms

- ▶ 24/7 Web access.
- ▶ Ideal for business travelers or out-of-state buyers and sellers.
- ▶ Information when you want it!

Take the mystery out of buying or selling your home by working with a listing agent who can offer you ClosingTracker.
